

## Examiner Certification Training Schedule

<http://www.dhhs.state.nc.us/mhddsas/ncsnap.htm>

NC-SNAP certification is only available to professional DD staff who are responsible for completing or reviewing NC-SNAP assessments as part of their job responsibilities (e.g., targeted case managers, CAP case managers, etc.). To facilitate the registration process, supervisors of staff responsible for completing the NC-SNAP should electronically forward (i.e., by email attachment) a completed NC-SNAP registration form to the LME's NC-SNAP training coordinator. The LME's NC-SNAP training coordinator will ensure that all persons requesting NC-SNAP certification have the proper credentials and are in a position that requires them to complete or review NC-SNAP assessments prior to forwarding the registration request to the training site. Training sites cannot accept NC-SNAP registration requests directly from provider agencies.

Please note that typically there is a high demand for NC-SNAP certification training, and all persons registered are asked to call in advance if unable to attend a scheduled training to allow others to attend. Persons who do not cancel in advance and do not show up for a scheduled training session will not be allowed to re-register for a minimum of ninety days. Additionally, NC-SNAP examiner certification training requires all of the allotted time; therefore persons arriving late will not be admitted.
