

Weekly Provider Update

Durham System of Care Implementation Team

The Durham SOC Implementation Team is the community leadership group that works across child and adult systems to establish community priorities and provide general oversight of DSOC. To learn more about the Team and about becoming part of it, click [here](#).

Medical Records Log

A medical records log that can be used by providers to help manage consumer records can be accessed by clicking [here](#).

NC-TOPPS Provider Training

This basic training offers information necessary to comply with NC-TOPPS requirements. It will be held on November 30 at 9:00am at The Durham Center. To register for the training, click [here](#) or for more information, click [here](#).

START Program Web-Based Trainings

These trainings delivered by national experts will focus on a variety of clinical issues about individuals with intellectual and developmental disabilities and challenging behaviors. NC-START will make a limited number of no-cost slots available and the trainings will also be shown at Durham Center Access. The first is scheduled for November 12 at noon. To view the schedule, click [here](#) and to express interest in participating, click [here](#).

Substance Abuse Services at El Futuro

El Futuro recently initiated a Substance Abuse Program to provide culturally-appropriate services to Latino adults and adolescents at its clinics in Durham, Carrboro and Siler City. Find out more by clicking [here](#). They are also recruiting an additional Substance Abuse Counselor. To learn more about this position, click [here](#).

Newsletter Archives
