Early Childhood Mental Health Services

The Durham Center is examining the spectrum of services available for the early childhood years, primarily ages 3-6, with the goal of being more aware of the specific services offered by local providers and their experience focusing on early childhood issues and training. Providers committed to serving this age group are asked to supply this important information by clicking [here](#) and to submit the completed spreadsheet by April 19 by clicking [here](#).

Listing of trainings, programs, services and employment opportunities offered by entities other than The Durham Center are included solely for the information of our readers. Their inclusion here should not be construed as an endorsement by The Durham Center.
