Weekly Provider Update

Early Childhood Mental Health Services

The Durham Center is examining the spectrum of services available for the early childhood years, primarily ages 3-6, with the goal of being more aware of the specific services offered by local providers and their experience focusing on early childhood issues and training. Providers committed to serving this age group are asked to supply this important information by clicking [here](#) and to submit the completed spreadsheet by April 19 by clicking [here](#).

Cognitive Behavioral Therapy (CBT) Training

This three-day training will be held on May 10-12 in Durham. To learn more, click [here](#).

Autism Support and Advocacy Center Newsletter

ASAC seeks to provide individuals on the autism spectrum with an opportunity to achieve independence by supporting all areas of life. To access its inaugural Newsletter, click [here](#).
